RE: Consent for Electronic Communications

Dear Infineum Retiree, Surviving Family Member or COBRA Member,

In order to more efficiently and quickly communicate with Infineum retirees, surviving family members, and COBRA members, we offer the option to send and receive future communications via email. If you wish to receive future paperless/electronic communications via email (instead of via the US Postal Service), please complete the information below and return this page to the address shown below or via email to Jamie.Fasino@Infineum.com.

If you elect to receive paperless communications, we will send you an email which will request an affirmative reply. Your reply will confirm that you are able to successfully send and receive communications at the email address provided.
